

# Yoko Ono, Greenfield Morning I Pushed An Empty

Hmm, oh, talk to me  
Oh, oh, oh, oh  
Oh, talk to me  
Alone in a room  
It's just me and you  
I feel so lost  
Cause I don't know what to do  
Now what if I choose  
The wrong thing to do  
I'm so afraid  
Afraid of disappointing you  
So I need to talk to you  
And ask you for your guidance  
Especially today  
When my mind feels so cloudy  
Guide me until I'm sure  
I open up my heart, oh yeah  
My hopes and dreams  
Are fading fast  
I'm all burnt out  
And I don't think my strength's gonna last  
So I'm crying out, crying out to you  
Lord I know that you're the only one  
Who is able to pull me through  
So I know I need to talk to you  
And ask you for your guidance  
Especially today  
When my world feels so cloudy  
Lord guide me until I'm sure  
I open up my heart, oh yeah  
Yes I do  
Show me how to do things your way  
Don't let me make the same mistakes - over and over again  
Thy will be done and I'll be the one  
To make sure that it's carried out  
And in me you will have no doubt  
That's why  
I wanna talk to you  
And ask you for your guidance  
And especially today  
When my world seems just a little bit cloudy  
Lord you can guide me through  
That's why I open up, I open up my heart  
My heart, my heart, my heart  
All I need to do is hear a single word from you, ooh  
I open, I open, open up my heart  
Just one word can make a difference in what I do Lord  
Guide until I'm sure  
I open, I open, I open, I open my heart  
Lord you just say one word, one word, one word  
One word, one word  
I open, I open, open up, open up my heart to you, to you  
You're the lover of my soul  
The captain of my sea  
I need a word from you  
That's why I open up my heart
