

Yoko Ono, I Don't Wanna Face It

Okay, let's go!

Un, deux, ein, zwei, hickle pickle!

Say you're looking for a place to go,
Where nobody knows your name.
You're looking for oblivion
With one eye on the hall of fame.

I don't wanna face it, oh no,
I don't wanna face it, no, no, no, no.
Well, I can dish it out but I just can't take it.

Say you're looking for some peace and love,
Leader of a big old band.
You wanna save humanity
But it's people that you just can't stand.

I don't wanna face it, oh no,
I don't wanna face it, no, no, no, no.
Well, I can sing for my supper but I just can't make it.

Ow!

Well, now you're looking for a world of truth,
Tryin' to find a better way.
The time has come to see yourself,
You always look the other way.

I don't wanna face it, oh no,
I don't wanna face it, no, no, no, no.
Well, I can see the promised land and I know I can make it.

I don't wanna face it, oh no,
I don't wanna face it, oh no,
I don't wanna face it, oh no,
I don't wanna face it.

Ah-ooh!
I don't wanna face it.

I just can't face it no more!
Ev'ry time I look in the mirror I don't see anybody there!
Ho!
