

Yoko Ono, Isolation

People say we got it made,
Don't they know we're so afraid?
Isolation.

We're afraid to be alone,
Ev'rybody got to have a home.
Isolation.

Just a boy and a little girl,
Tryin' to change the whole wide world.
Isolation.

The world is just a little town,
Ev'rybody tryin' to put us down.
I-hi-hi,

I-hi-hi-hi-solation!

I don't expect you to understand,
After you've caused so much pain.
But then again, you're not to blame,
You're just a human, a victim of the insane.

We're afraid of ev'ryone,
Afraid of the sun.
Isolation.

The sun will never disappear,
But the world may not have many years.
I-hi-hi,
I-hi-hi-hi-solation!
