

Yoko Ono, Meat City

Well!

I been meat city to see for myself,
Well, I been meat city to see for myself,
Been meat city, been meat city,
Just got to give me some rock and roll.

(mubla eht kcecc)

People were dancing like there's no tomorrow, meat city.
Fingerlickin' chickenpickin', meat city showdown u.s.a., yeah!

Pig meat city.

Well, I been the mountain to see for myself,
Well, I been the mountain to see for myself,
Been the mountain, been the mountain,
Just gotta give me some rock and roll.

Snake doctors shaking like there's no tomorrow, freak city.
Ooh!
Chickinsuckin', mothertruckin', meat city showdown u.s.a.

Pig meat city.

Well, I'm gonna china to see for myself,
Well, I'm gonna china to see for myself,
Gonna china, gonna...
Just gotta give me some rock and roll.

People were jumpin' like there's no tomorrow, meat city, oh!
Fingerlickin' chickenpickin', meat city showdown u.s.a.

Pig meat city.

Well, I'm gonna china, yes, I'm gonna china,
Well, I'm gonna china, yes, I'm gonna china,
Come on!
Uh, huh, huh, uh, uh, yeah, yeah,
Come on, yeah!
I'm gonna china,
Oh yeah! yeah!
Yes, I'm gonna china,
Alright! oh yeah!

-"who is that? who is that? who is that?
Who is that and why are they doin' those strange things? "
