

# Yoko Ono, Mucho Mungo

Mucho mungo, sweet thing,  
Sweetest little thing I've ever seen.  
Must have been a sweet dream,  
Brought you here,  
Brought you through the sorrow  
And the tears.

C'est la, c'est la, c'est la vie,  
Sail upon the ocean, sail with me.  
Sail into tomorrow ev'ry day,  
Sail it to the sunshine through the haze.
