Yoko Ono, Never Say Goodbye

Never say goodbye, Never say goodbye, You say tomorrow's another day, All I know is we're here today.

I've got nightmares I could never share with you, The kind that keeps me up all night. So hold me tight till the room is light And tell me that it's all right.

(oh-oh-oh-oh - oh-oh-oh)

Never say goodbye, Never say goodbye, We may go our separate ways some day, But we know we shared our dreams today.

I've got nightmares I would never wish on you, The kind that keeps me down all day. So hold me tight till the sky is light And tell me that it's all right.

(oh-oh-oh-oh - oh-oh-oh)

Never say goodbye, Never say goodbye.

Yoko!! (it's getting light)

Mummy, mummy.

(oh-oh-oh-oh - oh-oh-oh)

Never say goodbye, Never say goodbye, Never say goodbye, (never say) goodbye, Never say goodbye, (never)
