## Yoko Ono, Nobody Sees Me Like You Do

I see your face looking into the space, All tired and worried. Why does it have to be like this, you and i, I wanted us to be happy.

No one can see me like you do. No one can se you like i do.

I see your face with a trace of life, Being a wife and a woman. If i ever hurt you, please, remember, I wanted you to be happy.

Is there anything i want more, More than your trust and understanding?

No one can see me like you do. No one can se you like i do.

I wanna quit moving,
I wanna quit running,
I wanna relax and be tender.
I wanna see us together again,
Rocking away in our walnut chairs.

Even with your warmth and closeness, The feeling of loneliness hangs over like a curse.

No one can see me like you do. No one can se you like i do.

Even with our dreams and yearnings, The feeling of loneliness hangs over like a thirst.

No one can see me like you do. No one can se you like i do.

No one can see me like you do. No one can se you like i do.
