

# Yoko Ono Plastic Ono Band, Bad Dancer

When your heart is dancing  
Your mind is bouncing  
Bounce bounce bounce bounce

I'm a bad dancer  
A busy bouncer  
Never touch the ground  
Never make a sound

I'm a tough lover  
A sweet pusher  
Writing my life with sand  
Waiting too see the land

Place your bets  
Watch your step  
I'm a bad dancer  
With no regrets

Break a leg  
Cut the thread  
I'm a bad dancer  
Full speed ahead

I'm a bad dancer  
You're a bad dancer  
He's a bad dancer  
Bad bad bad

I'm a fast mover  
A straight shooter  
I might bend  
To see the end  
Never say never  
Cause it's never 'never'
