

Yoko Ono, Remember

Remember, when you were young,
How the hero was never hung,
Always got away.

Remember, how the man
Used to leave you empty handed,
Always, always let you down.

If you ever change your mind
About leaving it all behind-ind,
Remember, remember today, hey, hey.

And don't feel sorry
The way it's gone.
Don't you worry
'bout what you've done.

Just remember when you were small
How people seemed so tall,

Always had their way, hey, hey.

Do you remember your ma and pa
Just wishing for movie stardom,
Always, always playing a part.

If you ever feel so sad
And the whole world is driving you mad,
Remember, remember today, hey, hey.

And don't feel sorry
'bout the way it's gone.
Don't you worry
'bout what you've done.

No, no, remember,
Remember,
The fifth
Of november!
