

# Yoko Ono, Remember Love

Open your box,  
Open your box,  
Open your trousers,  
Open your thighs,  
Open your legs,  
Open, open, open, open, oooh  
Open, open, open, open,  
Open your legs,  
Open your flies,  
Open your ears,  
Open your nose,  
Open your mouth,  
Open, open, open, open, oooh  
Open  
Open your cold feet,  
Open, open,  
Open, open, open, let's open, let's open the cities  
Open the cities,  
Open, open, open the world,  
Open, let's open the world  
Open, open, oooh  
Open, open, ooh!
