

Yoko Ono, Remember Love

Open your box,
Open your box,
Open your trousers,
Open your thighs,
Open your legs,
Open, open, open, open, ooh
Open, open, open, open,
Open your legs,
Open your flies,
Open your ears,
Open your nose,
Open your mouth,
Open, open, open, open, ooh
Open
Open your cold feet,
Open, open,
Open, open, open, let's open, let's open the cities
Open the cities,
Open, open, open the world,
Open, let's open the world
Open, open, ooh
Open, open, ooh!
