

# Yoko Ono, Tomorrow May Never Come

Yesterday may linger forever,  
Today may never be found.  
Tomorrow may never come,  
Tomorrow may never come.

Yesterday may haunt us forever,  
Today may pass in fear.  
Tomorrow my never come,  
Tomorrow may never come.

All we have (all we have) is you and i, (you and I)  
Feeling the wind (feel the wind) and the sky. (the sky)  
Reach me, touch me, hold me, (hold me)  
Hold me while my lips are still soft.

Yesterday may scar us forever,  
Today may never be found.  
Tomorrow may never come, (never, never, never come)  
Tomorrow may never come.

All we have (all we have) is you and i, (you and I)  
Feeling the wind (feel the wind) and the sky. (the sky)  
Reach me, touch me, hold me, (hold me)  
Hold me while my lips are still soft.

Reach me, (reach me)  
Touch me, (touch me)  
Reach me, (reach me)  
Touch me.  
Hold me, hold me, hold me, (hold me)  
Hold me while my lips are still warm.
