

# Yoko Ono, You Are Here

-&quot;nine!&quot;

From liverpool  
To tokyo,  
What a way to go.  
From distant lands,  
One woman, one man,  
Let the four winds blow.

Three thousand miles over the ocean.  
Three thousand light-years  
From the land of the rising sun.

Love has opened my eyes,  
Love has blown right through.  
Wherever you are, (wherever you are)  
You are here. (you are here)  
Wherever you are, (wherever you are)

You are here. (you are here)

Three thousand miles over the ocean.  
Three thousand light-years  
From the land of surprising sun.

Well, now east is east  
And west is west,  
The twain shall meet.  
East is west and west is east,  
Let it be complete.

Three thousand miles over the ocean.  
Three thousand light-years  
From the land of the morning star.
