

Yolanda Adams, Fragile Heart

I remember the first time, you laughed with me
And I remember the promises, you would never leave my side
Now I'm standing with the news of a tragedy
Standing here with a fragile heart, mmm
You see I never shared a tear
I stayed strong for them, oh yes I did
When everybody disappears
It's was only you that kept me strong
And I can't imagine going on
Without you in my life, going on with a fragile heart

Chorus: When I think about, think about life
Lord I think of you
I forget about everything else, there's only you lord and I
And I can't think about ever giving up
Can't give up a fight (no..no..)
The only thing that matters Lord, is you

I ain't got no time to pretend
That I'm not missing you, oh no no no no
I know you're in good hands
The same hands that hold my heart
And I'll cherish every moment we spent
As a gift from God above
For he takes care of all the fragile hearts

Chorus: Cuz when I think about, think about life
Lord I think of you, and I
Forget about everything else
There's only you lord and I
I can't think about ,ever, ever giving up
(a fight)
Lord the only thing that matters, when I'm going through
Is giving my fragile heart right back to you

Bridge: You see my fragile heart's been broken
And you're the only one
Who can put it all together again
So I'm trusting you Lord to see me through

Instrumental/Chorus: There's only you and I
I can't think about ever giving
I can't give up (up a fight)
The only thing that matters
When I'm going through
Is giving my fragile heart right back to you
When I think about my life
I, I, I, I forget about everything else
Only you and I, and I can't think about ever giving up
Can't give up, can't give up (fades)
