Yolanda Adams, Fragile Heart

I remember the first time, you laughed with me And I remember the promises, you would never leave my side Now I'm standing with the news of a tragedy Standing here with a fragile heart, mmm You see I never shared a tear I stayed strong for them, oh yes I did When everybody disappears It's was only you that kept me strong And I can't imagine going on Without you in my life, going on with a fragile heart

Chorus:When I think about,think about life Lord I think of you I forget about everything else,there's only you lord and I And I can't think about ever giving up Can't give up a fight (no..no..) The only thing that matters Lord,is you

I ain't got no time to pretend That I'm not missing you,oh no no no no I know you're in good hands The same hands that hold my heart And I'll cherish every moment we spent As a gift from God above For he takes care of all the fragile hearts

Chorus:Cuz when I think about,think about life Lord I think of you, and I Forget about everything else There's only you lord and I I can't think about ,ever,ever giving up (a fight) Lord the only thing that matters, when I'm going through Is giving my fragile heart right back to you

Bridge:You see my fragile heart's been broken And you're the only one Who can put it all together again So I'm trusting you Lord to see me through

Instrumental/Chorus:There's only you and I I can't think about ever giving I can't give up(up a fight) The only thing that matters When I'm going through Is giving my fragile heart right back to you When I think about my life I,I,I,I forget about everything else Only you and I,and I can't think about ever giving up Can't give up,can't give up(fades)
