

Yolanda Adams, Let Us Worship Him

Let us worship Christ our Saviour
Let us worship Christ our Saviour
Let us worship Him
Let us worship Him
Let us worship Christ, our Lord
(repeat)

All the earth should praise Him
Let us bow down before Him
Let us enter into His gates with thanksgiving
Come before His courts with praise
Let us honor and adore Him
Let us exalt Him for His goodness
For His love and kindness
And for His tender mercy
I will, I will, I will, I will worship Christ the Lord
I will worship Christ
I will worship Christ the Lord
I will worship you
I adore your name
Lord you're worthy
I worship Christ, the Lord
