

Yolanda Adams, Shining Star

When you wish upon a star
Your dreams will take you very far
But, when you wish upon a dream
Life ain't always what it seems
What'd you see on night so clear
In the sky so very dear

You're a shining star
No matter who you are
Shining bright to see
What you could truly be

You can be what you wanna be
Do what you wanna do
As long as you know there's a star in you

Believe in yourself

Shining star come in to view
Shine its watchful light on you
Gives you strength to carry on
Makes your body big and strong

On an adventure of the Son (that's S-o-n)
Thought my work had just begun
Found out, found out
Thought I had to stir the mood
I can do all things through You

So, if you find yourself in need
Why don't you listen to these words of heed
Be a child that's free of sin
These are words of wisdom
"Yes I can, yes I can," because
