

Yolanda Adams, That Name

There is a name that is so precious
A name that's wonderful to me
A name that's worthy of all praises
Because of him I am made free.

That name is Jesus
Oh how I love him
The one who gave his life for me
Because of love that is so precious
I will have life eternally

This name speaks peace unto my storm clouds
This name speaks calm unto my fears
And when I feel that no one loves me
His loving presence is so near

That name is Jesus
Oh how I love him
The one who gave his life for me
Because of love that is so precious
I will have life eternally

Praise that name
Praise that name
Praise that name
Praise that name

Some day i'll leave this earthly dwelling
Through time and space my soul will soar
And finally see the face of Jesus
And praise the name forever more
