

Yolanda Adams, Time To Change

It's been too long its time to change
Can't get away with everything
Please tell me why you wait
Gotta answer for yourself someday

A man that I know from the neighborhood
Whenever I see him hes up to no good
Taking from others to get what he wants
And he think's that there's no way he'll ever get caught

This girl that I knew from the neighborhood
Whenever I saw her she was up to no good
Writing letters and sending pictures and doin' all she can
Tryin hard to gain
The attention of
A married man (girl ya wrong now)
