

Yoomii, Take me high

Take me high high
Take me high high
Take me up
Take my hand
Take me to a promise land
Take this wings of love for you for you
Take my heart to the sky
Take me where the angels fly
Cause I need your love
Come and bring your love
Anyway is high
Take me high high
Take me high high
Sell right to the stars
? hearts
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
Anyway is love
Anyway is love
Anyway if we belive
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
(Take me high high)
Take me close
Take me fall
Take me anywhere you wont
Can you feel my love for you for you
Take my soul be my life
Let the sky be ours tonight
Do you feel my love come and bring my love
Anyway is high
Take me high high
Take me high high
Sell right to the stars
? hearts
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
Anyway is love
Anyway is love
Anyway if we belive
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
Take me high high
Take me high high
Sell right to the stars
? hearts
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
Anyway is love
Anyway is love
Anyway if we belive
Take me high high
Take me high high
Sell right to the stars

?hearts
Take me high high
Take me high high
Take me to the stars
Stay with me forever more
Anyway is love
anyway is love
anyway if we belive
Anyway is love
anyway is love
anyway if we belive
