

Yothu Yindi, Gunitjpirr Man

Sound of the waves fall
On the sand dune of love
Sweet memory of you
Of the times that we spent together
Right from the heart
You gave me the new and the old
Gunitjpirr man
Don't leave me alone
Come back to me
Gunitjpirr man
We'll remember and speak of you
As the father of land rights
The children must learn
Of the sacred law
And of Mother Earth
Just like the way that you did
And when our time comes around
We'll meet up again
Gunitjpirr man
Don't leave me alone
Come back to me
Gunitjpirr man...
