

Yothu Yindi, World Of Innocence

As the world changes
Look to a brand new day
Cold war is over
In amongst the children play
The earth is yours to hold
Gun shots in the playground
Vision of the future
Where is it taking us?

Children... in a world of innocence...
Na na na
Na na na na na na
Na na na...

Suffer little children
One day this will all be real
Dream on world dream on
This earth is your common ground
Big corporation waiting
Eating up the land
Swimming oil slick oceans
Concern woman, child and man

Children... in a world of innocence...

Don't wait up for someone else
To say
This could all be gone today

Na na na
Na na na na na na
Na na na...
Children... in a world of innocence...
Na na na
Na na na na na na
Na na na
