## You Am I, Heavy Heart

Been watching so much TV I'm thinner than I should be I'm like a water-logged ball No one wants to kick around anymore An all-day morning hairdo That no comb can get through It's all granola and beer A calling card and a silk cut souvenier

I miss you like sleep There's nothing romatic about the hours I keep The morning's when it starts I don't look so sharp Now I got a heavy heart

Talk a lot about football
The girls I kissed in grade four
Piss of my friends
Digging a hole just staring at the floor
Now every t-shirt's got a wine stain
I'm lovin cigarettes again
I know every tune about guys and girls and hurts and hearts and moons

I miss you like sleep Ain't nothing romantic about the hours I keep It's the mornings when it starts I don't look so good Now I've got a heavy heart

It's just a low-rent paying, palpatating, puff inside my shirt But there's a way it's sitting so hard, god, it hurts oh no, it hurts
