

# You me at six, Beautiful Way

Love is the drug that should've come with a warning  
When the comedown comes you know you're gonna be in mourning  
The push and pull courtship yeah it betrayed us  
Today I needed something else to fill the space up

Oh i read between the lines  
Holding onto better Times  
I can't let it go  
I can't let it go  
I wanna take back what was mine  
But only you can change your mind

I won't let go  
I won't let go

So tell me what do you mean  
When you say that we're not ok  
We're fucked up in a beautiful way
