

# You me at six, Stay With Me

You've got a lot to say  
for the one that walked away.  
I give you take,  
its the way it's always been

oh how do i know  
if i should stay or just go  
the bottom line is this way that i'll never know

stay with me  
stay with me

you got a lot to say  
for the one that pushed me away  
i give you take  
some things they never change  
just change

stay with me  
stay with me

never know i could be this way  
never know that i could walk away

these things take time to grow  
it's been said that time heals wounds  
but no, i won't be controlled  
and so, this story goes

stay with me  
stay with me

never know i could be this way  
never know that i could walk away
