

You're Pretty, Pretending

The time has come to wrap it up
In a nice little perfect package
Perfect's what it looked like on the outside
But inside it wasn't
Cause I try to make you happiness
And you try to make me love
I think I thought if we pretended long and hard enough
It would somehow happen
It would fall into place

I am so sorry
I don't know what you see in me

I know I can be hard to handle
I can be a pain in the ass
So many mood swings, constant changes
But you took it well
And I thank you for that
But I cannot be happiness
And you cannot be love
I think we thought if we pretended long and hard enough
It would somehow happen
It would fall into place

I am so sorry
I don't know what you see in me

I
I
I

I don't mean to be mean
But please don't wait for me

I
I
I

I just need to be

The time has come now to bring it to a level I can handle
And I'm sorry but you know too much about me
For us to remain friends

I
I
I

I am so sorry
But please don't wait for me

I
I
I

I just need to be
