You've Got A Way (Notting Hill Remix), Shania Tv

You've got a way with me Somehow you got ne believe In everything that I could be I've gotta say-you really got a way

You've got a way it seems You gave me faith to find my dreams You'll never know just what that means Can't you see ...you got a way with me

CHORUS:

It's in the way you want me It's in the way you hold me The way you show me just what love's made of It's in the way we make love

You've got a way with words You get me smiling even when it hurts There's no way to measure what your love is worth I can't believe the way you get through to me

(CHORUS)

BRIDGE:

Oh, how I adore you Like no one before you I love you just the way you are

(CHORUS)

It's just the way you are
