(Young Buck)

I got my pistol in my lap, and the top drop down

An AK in the back 'cause a nigga hot now

And I been shooting, and I been robbing

Fifty telling niggas I'm a mutherf**kin prophet (gun shot)

I come from the bottom, but birds I got'em

I ?grip? two cents in harlem , serve all'em

To me what I deserve man

F**k what you heard man

They doing a Tennekee?

So who tha' real wurd man

They try to stop us, but I load up my choppa

Put my eye in tha' scope and pop'em right in their pajamas (gun shot)

Do what we say so is waitin on Yayo

So we can double back and give the fans what they paid for

Ever since the game came back to reality

These Niggas that ain't sellin, they mad at me, but had at me

then, I take it right back tha' block

And Tennessee, we known to put tha' pirates on the pot

(Chorus)

(young buck)

Banks got me Jamican queens showin' dem around

We about to bounce from Brooklyn den head up town

The first down south nigga getting popping on the east coast

Like I dun want ????? I'm from the streets hoe

Gotta keep my heat cloaked just incase we bump headz

I'm goin backside with a gunshot, shell spray

F**k what they say, G-unit's is in dis bitch

With four assault rifles and 6 ?million? clips

Bulletproof beam parked outside da club

So we can shoot at ya'll, but u can't shoot at us

My westcoast niccass get ur bang on to diz

If u ain't throwin' up ur hood, den u dun belong in diz bitch

One tyme for big pac, two times for tupac

Stuff tha shit out of a nigga ina G-unit Reebok

I've been patiently waiting while niggas was hating

I'm trying to keep count all this f**king money I'm makin

Bitch!

(50cent Chorus)
