## Young Jeezy, Crazy World

(What they want?)

They want that killing shit

That dumb shit that where you from shit

That ride around you hood all day with your gun shit

All I got to my name is two bricks and one felony

Your going back to jail that's what my conscious keep on telling me

I really ain't buying all this bullshit they selling me

When the government throwing more curves than the letter C

I said the letter C I guess that's for correctional

They try to box me in, sit me still like a vegetable

[Chorus:]

God damn another trap I think bush trying to punish us Send a little message out to each and every one of us

Real g shit well that's really unheard of

When you get more time for selling dope than murder

In this crazy world

This world keeps spinning my rims still spinning

Even though the money slow we still spend it

In this crazy world

Let this world keep turning yeah my blunt still burning

Same thing different day still burning

In this crazy world and this dopes still selling

And these nigga's still telling

Will you make it through the day? It's no telllin

In this crazy world (yeah yeah yeah yeah yeah)

Probably why I never give a f\*\*k about a record deal

And I ain't never tried this shit imagine how that white feel

But that don't even matter though trying to pay the light bill,

Light bill, phone bill plus my granny nerve pill

Feel like I should be takin em' imagine how my nerves feel

I want a new bently my aunty need a kidney

And if I let her pass her children never will forgive me

[Chorus:]
