Young Jeezy, Go Crazy

[Cannon] [Verse 1]

Guess whos bizzack

Still smell the blow on my clothes

Like crispy cream I was cooking them o's

Like horseshoes I was tossin them o's

Time to re-up gotta recycle the flow

Im emotional

I hug the block

Im so emotional

I love my glock

Cash rules everything around me

So whats realer

Bout the scriller so call me a ghost face killa

Its kinda hard to be drug free

When Georgia power won't give a nigga lights free

Switched hustles been killin em ever since

Been paid to tell the truth it only make sense

[Chorus]

When they play that new jeezy watch the dope boys go crazy

And watch the dope boys go crazy

I pop my collar then I swing my chain

If you catch me in the club pimpin doing my thang

When they play that new jeezy watch the dope boys go crazy

And watch the dope boys go crazy

They pop my collar then they swing they chain

All the gangstas in the street that be doin they thang

[Verse 2]

Wont stop till my whole team in thug mansion

And I sell like pac

Thats a thugs passion

And this the realest shit I ever wrote

And all eyes on me like a microscope

Young jeezy give em one more chance

They try to shine like you and get your whole advance

Like my main man pulla talk real slick

Look im ok but my watch sick

You dont gotta like a n***a

Just respect my mind

This is how im eatin now

So respect my grind

The way I put them words together

Reminds me about how I put them byrds together

[Chorus]

[Verse 3]

Buy 18 the hard way

Now have a humble nigga thinkin' 'bout gun play

Now who the fuck wanna play with guns

Alotta holes, alotta blood dog

That shit aint fun

So I suggest that u dont play with my chain

Or ill send these hollow's at you

Let them play with ya brain

The streets is watchin

The name is warn

The products white

A star is born

Pimpin im so fly

I take this parachute off

I might fall and die

Wrap the work with spandex with the latex Then we ship it outta town Call it safe sex

[Chorus]
