[Verse 1: Young Jeezy]

I let my chain hang low keep that thing up on my waist
All then haters talking reckless tell 'em say it to my face,
You see a bankroll yeah I almost caught a case
It's the remix so Manny Fresh drop the bass
I say now 28 inches got me sitting so high
Reach straight up through the clouds God Damn I'm in the sky
Got my 87's on God Dammit I'm fly
Bet you anything won't nan nigga try it
I push the Luc on Wednesday the drop that Monday
Ice cream Impala same color as a sundae,
So you can miss me with that hating and that he can't rap shit
Tell 'em faggot ass niggas wrap they lips around my dick,
God Damn my money sick Ay I need to see a doctor,
Black on Black Bentley call it Phantom of the Opera,
Lemon Lime Drop Top I call it a Sprite
When I pull out the garage you can call it at night

[Hook: 2x]

I like my beat down low and my top let back
You see me riding 24's with a chopper and holla back
Ya like ya Kenwood hot and ya top let back
If ya rims sit high and ya windows pitch black

[Verse 2: Young Dro]

DRO! My trunk gon break the damn law
I'm riding through the hood with 8's so damn raw,
Them 27's tall but them 8's are damn raw
Bitches know they see the platinum is grey like grand pa
Spray the Chevy all kinda sour apple colors,
Diamonds up in my charm look like piny apple suckas
Teck 9 for some Mack 90 for others'
Leave the weapon on Bucatti's I got on my Danny Glovers,
Naah' this ain't a movie but I shot 4 brothers
And plus I gotta Chevelle that flop 4 colors
Cars without the covers' my beat down low I let my rims sit high
I'm the best thing blowing now Dro!!

[Hook: 2x]

I like my beat down low and my top let back
You see me riding 24's with a chopper and holla back
Ya like ya Kenwood hot and ya top let back
If ya rims sit high and ya windows pitch black

[Verse 3: Big Kuntry King]

I got my treble up high and my beat down low,
I don't slam no door's hop in where the roof go,
What I need a roof for replacing with the sky
Streets be mine with that Georgia on my mind,
I ride in the wettest paint, like I'm surfing on a title wave
Cocaine whip yeah straight out the microwave
Man in the trunk sound like the man knocking
5 pass rocking with stacks in my pockets

[Verse 4: B.G.]

I got money in my pocket and mind on more
To hear myself think I like my beat down low,
Cigarellito full of dro and the Chevy 2 toned
It's sitting on chrome that's how I get my roll on'

Gotta dip through the hood you know just keep it real
I see some hot girls so I'm a turn it up a lil
let them bounce to the music' ba bounce to the beat
The top down hop in and ride with a G

[Hook: 2x]

I like my beat down low and my top let back
You see me riding 24's with a chopper and holla back
Ya like ya Kenwood hot and ya top let back
If ya rims sit high and ya windows pitch black

[Verse 5: T.I.]

Even though I like my beat down low and my top let back,
Chrome feet down low and my Impala wet black
Ditch-e-dash hit the gas tell them niggas check that,
Make them bitches sit back wofers give 'em wetcast,
Coming down in a Chevy motor sound like it very tight
It is you can tell I hear the tire yelling er'line
And the way they ain't kicking I bet you could still hear it
Lord forbid I cut it up I bet I get left feel here,
Okay my money real big, choppers is still here,
They catch me with it fuck it I'm doing my lil bit
And my drop top riding with my Glock cock riding
I'm looking for them niggas'where they at stop hiding
