

Young Love, Find A New Way

If it takes away the pain its alright
We're livin so hard you might not make it through tonight
Follow the bright lights
They might change you
If you get lost along the way its alright

We'll find another way to dance
We'll find another way to dance
If you get the chance
You must dance dance dance [x2]

If you get caught out in the storm its alright
I'LL ROCK YOU so hard you cant stay dry when youre out tonight
Stare at the bright lights
They might blind you
Look at them to long and you might see its alright

We'll find another way to dance
We'll find another way to dance
If you get the chance
You must dance dance dance [x2]

Be what you believe
Stand up break free
Be what you believe
Bright lights cant see [x2]

We'll find another way to dance
We'll find another way to dance
If you get the chance
You must dance dance dance [x2]
