

# Young Love, Find A New Way To Dance

If it takes away the pain its alright  
We're livin so hard you might not  
make it through tonight  
Follow the bright lights  
They might change you  
If you get lost along the way its alright  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance  
If you get caught out in the storm its alright  
you're livin so hard you  
cant stay dry when youre out tonight  
Stare at the bright lights  
They might blind you  
Look at them to long and you  
might see its alright  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance  
Be what you believe  
Stand up break free  
Be what you believe  
Bright lights cant see  
Be what you believe  
Stand up break free  
Be what you believe  
Bright lights cant see  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance  
We'll find another way to dance  
We'll find another way to dance  
If you get the chance  
You must dance dance dance
