## Young Lungs, Tennis

they a lot of talk i don't talk, i get it you know I am bout it if it kill me imam let it running to the bag like I am so athletic

I've been up since 5 making hit like tennis I've been on fire I just need my setting reaching for the stars hope my feet touch heaven haven't had first bitch already want seconds

wanna beon top popping off like a 4 4 life been going fast I been trying not to go slow I just hit the gas now I am faded going slow-mo

you think gon pass but you tripping that's a no go bitch you know I am sick got mr spitting like a sore throat I was out in Europe that dun stopped me for some though I just wat a couple chains my shawyt like some rose gold
