

Young Rome, Look Down On Me

(repeat throughout) the Lord is watching over me

Fa real

Yo, I believe errybody was put here on this earth for their own reason

And I believe my reason is here

And I'm ready now

I remember when I was at rock bottom

I thought I couldn't get no lower to the ground

I was like damn if I fall anymore, I don't know where I'ma be

But you never know, you gotta try him

You gotta give your all in no matter what you do

And I promise you I don't been though the worst

I done lost my pops

He left..he went to jail when I was young

He back now which is a good thing

But I lost my brother

Boy that was a big deal to me

25-life

2003.matta factthat's recent

My sister

She doing 5-10 but I love and respect her

She didn't snitch

She kept it real

And she said " for those that did wrong to her..wrong come back to y'all

That's Karma for y'all

I remember when Brandy Norwood hit me in my eye

I had an attach regna my lens came out I had to have 3 eye surgeries

And she thought we'll never be cool again

But I put that on my life

I love her to death

If she hear me talking, I know she can hear the honesty in my voice and my sincerity

But you gotta get up

I know everybody just talking and talking bout what's going on

They don't have a clue

But to get real with y'all

I love dem niggas B2K

But, if it was meant for us to part

So be it

The moral of the story is

When you see me with IMx

And you see me doing my thing

don't mean I don't know bout these streets

Cause I done been through it all

And it all done been through me

All I know

Is God is looking down on me
