

# Young Stadium Club, Street (ft. Bela Komoszyńska)

Everyday see a lot of superstars  
They text me all the time  
Why happened underline?  
When we've lost our trust  
...

Star!  
Make me like to feel like  
feel like  
feel like  
be a star  
Like a star!

I try to hide myself in whisky  
...  
And look away from the broadcast cage

Star!  
Make me like to feel like  
feel like  
feel like  
be a star  
Like a star!
