

# Young Turk, Freak Da Hoes

(Verse 1: Mannie Fresh)

I gotta lotta ones and I'm looking for the strippers  
One could roll around the pole and make me open up my zipper  
See you think you get the money when you go down there  
I give you kisses for your lips when you blow down there  
Girl let me smack that ass  
Smack Smack that ass  
Tell ya baby back back back that ass  
See the things that you do got me hollin' "Oh wee"  
If you lickin' then I'm trickin' got me buying jewelry  
Pop that pussy girl get up hussle  
Push it up push it down now grip it with the muscle  
From LaPhaasha's, Coco's, Gentleman's Claws  
Roxberry, Harlem nights playa show me some love  
To Peaches, Strawberry and pretty ass China  
Babygirl in Diamond won't you show me vagina  
You can find me at the butt-naked throwin' my money  
Me and Baby gettin' freaked by this chick named Honey

(Chorus: Mannie Fresh)

All over the world y'all  
I love them girls y'all  
When it be poppin'  
Them dollas keep droppin'

(Verse 2: Turk)

Bitch yern know? I'm Turk ya ho  
CashMoney hotboy in a black rov-uh  
Burning up on fire, spin bins like dryers  
I don't ride natural ride twenty-inch tires  
Like 'em hot 'n hotter  
Know when okay  
Not a black ho a red one, gotta be straight  
Talkin' bout ass, a fat cat all that  
Could act a donkey on that dick and take it from the back  
Project hos and hoodrats dog  
If she think she all that she get smacked dog  
I need a bitch who don't smoke, not an alcoholic  
Put monkey on that dick like Magnolia Shawty  
I still like 'em hot who don't tell me to stop  
Who know how to work on that pipe, and drop it like it's hot  
One who here to hussle and keep me straight  
Always get it up and have her own cake

(Chorus)

(Verse 3: Turk)

Say lil mama, if you a hot girl come with me  
Come and follow Lil Turk CashMoney HB  
First you wanted to holla, ya scared say ya scared  
If ya not, bus it open and wobble on this head  
Bitch do me right now, back that ass up  
Do like my nigga now and back that ass up  
You on fire yeah, plus you workin' with it girl  
Get with this real nigga let me take you 'round the world  
I might do a little trickin' if you got that fire mouth  
But if you don't look I'm a put that ass out  
Might bust that ass out give ya diamonds and shit  
But you gotta be a hotgirl to suck a good dick  
Don't act stuck up, keep it real with ya nigga  
If a nigga get into it don't be scared to pull a trigga  
Hot Girl Hot Girl look, that's what I need  
A nasty bitch that could fulfill my needs

## Chorus

(Ending: Mannie Fresh)

See, this is it right here.

When you call yo house and 'All in' answer the phone.

Nigga name 'All in'. And you be like "Who's All in?" All in.

All in yo pussy, all in yo draws, all in yo shit,

all in yo motherfucking merchandise. All in. I'm All in.

Call yo fuckin house and ask for All in.

"Put All in on the phone."

All in is up all in yo pussy, ya hoids me? UH!

All in in this biatch!

"Hello? Who is it?"

"It's All in. Wanna talk to your girl?"

Nah, talk to All in nigga. All in all in that pussy.

All in her ass, all in her back, all in her spine ya hears me?

Feel that. By the way, where you keep your rubbers at dog?

I don't want to rawdick her, y'know?

I could rawdick her, but I ain't gon rawdick her

cause I don't know what's up with you.

I heard you a nasty nigga, you fuck a lot of broads.

I ain't gon do it like that.
