

Youngbloodz, Grown Man

(feat. Shawty Putt)

I got my top dropped down on my 442
Hangin' out the roof like what ya'll gon' do
hit the gas twice
before my shit get started
snap it out of park
hit it hard
now I'm tearin up the yard
ridin sideways pealin up the concrete
nostrils in my hood, (?)
got some bitches in the backseat
flowmasters howlin
engine it be growlin
all them old folks can say
is damn ya'll niggas be ridin (?)
chrome polish
ya'll punks stylish
take my giovanis off and throw back on the rally's
comin down hard sittin on leather grippin wood
this aint no lil boy she got that man under my hood

Chorus:

I got that grown man up under the hood
up under the hood
i got that got that grown man
up under the hood
up under the hood
grown, grown man
up under the hood
up under the hood
i got that got that grown man
up under the hood
up under the hood

Now you might catch me wit my eyes tight sippin on that remy
keepin duals up in the doge truck
yeah its gotta hemi
but when the lil kids see me

26 inch rims you can hardly see the rubber
flowin big 15's beatin like a muthafucka

under my hood
i didnt know it was gon' be so hard
ridin' so good x2

now you can see it from a distance hear me comin from a mile

down 85 to the spot so we can ball out
cuz when you see me boy you know im ridin good

smoked out wit a couple hoes

CHORUS
