

Your Best Friend, Happily Ever After

I'm scared because I think I trust you,
And I'm beginning to realize just how much I care...
I care so much about you,
It's just that I don't want to set myself up for heartbreak again...

Please be true, and tell me all that I can do...
To make you happy (I want to make you happy)...
Oh you, you don't know what you do to me,
But we could live so happily...

Please let this be real,
Tell me how you feel...

Just say, "I'm yours"
And fill my heart with laughter...
Just say, "You're mine"
And we'll live happily ever after...
