

# Your Hero, A Fire In The Night

I'm running out of time  
Cold water on your fire  
We should not kill our passionate language  
Before the light returns  
Do you think we're going too fast?  
When we come closer would you dance,  
Dance on this song for me?  
This night is made for me and you..  
(Whoa Oh-Oh, Whoa Oh-Oh Oh)  
Every time I see you lookin' at me  
(Whoa Oh-Oh)  
You're so hot 'n innocent so we can start from..  
Pretending to be friends, but I confess..  
That is not enough..  
Do you think we're going too fast?  
When we come closer would you dance,  
Dance on this song for me?  
This night is made for me and you..  
(Whoa Oh-Oh, Whoa Oh-Oh Oh)  
Every time I see you lookin' at me  
(Whoa Oh-Oh)  
You're so hot 'n innocent..  
For everything you want to tell me later,  
Sorry I remind you that our time is now,  
I don't think you can send me a letter  
And forever we'll regret this night..  
Do you want to regret this night forever baby??  
Well I don't!!  
We can get everything from this night  
The smile you hide tells me that you can't find a shelter, Come on!!  
(Whoa Oh-Oh, Whoa Oh-Oh Oh)  
Every time I see you lookin' at me  
(Whoa Oh-Oh)  
You're so hot 'n innocent..  
For everything you want to tell me later,  
Sorry I remind you that our time is now,  
I don't think you can send me a letter
