

Your Shapeless Beauty, Empyrean Dispair

Empyrean Dispair

(music: Abate, lyrics: Blachier)

ashes in the garden
poussire d'toile sur le lit du destin
blood flowing in the garden
la nouvelle toile illumine le present
the snake that crawls in the garden
un velours qui recueille le rveil
wearing clothes of a naked god
subtile clipse au creux des riens de la mort
in the garden, in the garden
laissant apparatre une lumire nouvelle
through crystal in bloom
melancholy shines
in this garden of mine
I lay down in the haze

car la nuit engendre l'aurore
