

# Your Vegas, The Way The War Was Won

Running as fast as I can  
Can't even see where I am now  
Over the soldiers and sand  
This wasn't part of the plan

I never see the dawn  
Although I know it comes

If I ever see blue skies in my town  
You know I'll kiss the  
ground we walk on  
If I ever watch fireflies all around  
Shining like the stars above them  
The bullets fly over head  
Just like the words you said, son,  
So put down your guns  
And that's the way  
the war was won

Over the edge and beyond  
Over the border there's no bombs  
Falling on soldiers and sand  
holding their hearts in their hands

If I ever see blue skies in my town  
You know I'll kiss the  
ground we walk on  
If I ever watch fireflies all around  
Shining like the stars above them  
The bullets fly over head  
Just like the words you said, son,  
So put down your guns  
And that's the way  
the war was won

If I ever see blue skies in my town  
You know I'll kiss the  
ground we walk on  
If I ever watch fireflies all around  
Shining like the stars above them  
The bullets fly over head  
As I lie awake in my bed  
I just can't forget what you said, son,  
As we put down our guns  
And that's the way  
the war was won  
Was won  
The war was won
