

Youth Alive, Nothing Is Better

(Verse)

Praise God

It's a beautiful day

And I've just got one thing to say

Nothing is better than living my life for Jesus

He changed my life

Showed me a better way

And I'm learning something every single day

Nothing is better than living my life for Jesus

(Chorus)

Nothing is better than doing things right

Get Jesus in your heart

Get Jesus in your life

You'll never ever be alone in this life

And he'll make you feel so alive

(Bridge)

Nothing is better than living for Jesus

Nothing is better than living for him
