

Youth Alive WA, All Of The Above

More than a name more than mine
More than life is what you are
More than a feeling more than a moment
This is a song for you my King
I lift my eyes to see your face
I look to you as I run this race
Bit by bit I'm gonna change
Becoming like my hero

I can't wait to be like you
Help me change in all I do

Cause all I'm living for is you
Nothing else I wanna do
Give my life into your hands
I walk this life with you
You mean everything to me
Changed my life and washed me clean
Now I'm lost without your love
Cause you're all of the above

I'm waiting now
Not backing down
It's time for me to shake
Cause His kingdom's near
Listen can you here
Eternity begins today. (today)
