

# Youth Alive WA, How Much

You're all I need and  
When I fall I feel Your hand  
And Your love lights my way  
I'll trust in You with all my days

And I'll sing forever  
You gave Your life away for me

Jesus You are God and You will reign  
Nothing I could do  
Could ever say  
How much I love You  
How much I love You

You're all I know  
You are the Truth there's no one else  
And I'll stand for You  
Cos You stood for me  
You set me free

And I'll sing forever  
Your love is everything to me

Jesus You are God and You will reign  
Nothing I could do  
Could ever say  
How much I love You  
How much I love You  
And if this world should fall and fade away  
I will trust in You  
I'll always say  
How much I love You  
How much I love You
