

# Youth Alive WA, Hungry For More

hungry for more

Jesus I need you and I want more  
Jesus I long for your presence Lord  
I want you I want you

Cause all I want is you, all I need is you  
I'm hungry for more, more than I'm happy for  
More of your presence Lord  
I got what you shown me Lord  
I'm hungry for more, more than I'm happy for  
More of your presence Lord  
I got what you shown me Lord

Jesus I need you and I want more  
Jesus I long for your presence Lord  
i want is you I want is you
