

# Youth Asylum, One Choice

Why you starin cause we the young americans  
now we quein in, in the red white and blue again  
throwin dots at ya just like you again  
hit you in the heart so you know we aint gon sue again  
what what never seen a girl like you you  
never met a girl like you you  
ever met a guy like me me  
Y A baby

when i first lay my eyes on you  
it was a simple dream come true  
I never saw a girl like you before in all my life  
I try to play it cool where runnin after school  
I had to get your number girl and invite you into my world

if i had one simple dream in life  
its that youll be my girl oh yes youll be all my  
if i if i just had one oppurtunity  
to have you close to me  
I will be so happy

I cant even sleep at night  
just wanna hold you tight  
think about you all the time  
cant get you off my mind  
wake me around me and I get chills  
now wont you tell me whats the deal  
aint no maybes want you baby

if i had one simple dream in life  
its that youll be my girl oh yes youll be all my  
if i if i just had one oppurtunity  
to have you close to me  
I will be so happy

My friends say Im crazy  
that might be true  
but if Im crazy  
Im crazy for you  
if i had one wish  
you would be mine  
see I cant live my live  
without you here by my side

I cant stop no i wont i wont stop no i cant  
I cant stop no i wont i wont stop no i cant  
I cant stop no i wont i wont stop no i cant  
I cant stop no i wont stop no i wont girl

if i had one simple dream in life  
its that youll be my girl oh yes youll be all my  
if i if i just had one oppurtunity  
to have you close to me  
I will be so happy

if i had one simple dream in life  
its that youll be my girl oh yes youll be all my  
if i if i just had one oppurtunity  
to have you close to me  
I will be so happy

if i had one simple choice in life  
its that youll be my girl oh yes youll be all my  
if i if i just had one oppurtunity

to have you close to me  
I will be so happy
