

# Youth Asylum, When I See You Smile

When I see you smile  
I can face the world  
You know that I can do anything  
When I see you smile...

Sometimes I wonder  
How I'd ever make it through  
Through this world without having you  
I just wouldn't have a clue

Cause sometimes it seems like this world's closing in on me  
And there's no way of breaking free  
Then I see you reach out for me

Sometimes I wanna give up  
Wanna give in  
Wanna quit the fight  
Then one look at you baby  
Can make everything alright, make everything alright

When I see you smile  
I can face the world  
Oh you know that I can do anything (i can do anything)  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain (shining right through the rain)  
When I see you smile  
Baby when I see you smile at me

And baby there's nothing in this world that could ever do  
What the touch of your hand can do  
It's like nothing that I ever knew

And when the rain is falling  
I don't feel it  
Cause you're here with me  
And one look at you baby  
It's all that I ever need  
All that I ever need

When I see you smile  
I can face the world  
Oh you know that I can do anything (i can do anything)  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain (shining right through the rain)  
When I see you smile baby  
Baby when I see you smile at me

And when the rain is falling  
I don't feel it  
Cause you're here with me  
And one look at you baby  
It's all that I ever need  
All that I ever need

When I see you smile  
I can face the world  
Oh you know that I can do anything (i can do anything)  
When I see you smile  
I see a ray of light  
Oh I see it shining right through the rain (shining right through the rain)

When I see you smile

I can face the world  
Oh you know that I can do anything

When i see you smile  
Baby when i see you smile at me

When i see you smile  
(baby when i see you smile)  
When i see you smile  
(at me)
