

Youth Attack, No One Wants You

We don't care what you say
We don't listen anyway
We don't want your f**king rules
We don't think you're f**king cool

You tell me I can't do this or that
Who the f**k do you think I am
You have no authority you have no power
So f**k you, go pick a flower

Everyone that I've ever asked
Says you have a f**king stick up your ass

You f**king loser
You stupid drunk
No one wants you
Go smoke your blunt
