

Youth Brigade, I Hate My Life

woke up, hung like a ton of bricks
i dont know where the hell i am
whos this naked next to me
what did i do, i gotta pee

cant work or go to school today
cant remember if i do that anyways
got some money, got no clue
the worlds a mess what can i do

i hate my life, i hate my life, i hate my life, i hate my life

crashed the car, lost the job
im a dirty smelly total slob
lots of sex little love, stimulation no satisfaction
life is hard life is stress life is such a pain in the ass
saturday night and im not dressed, how can i go on

i hate my life, i hate my life, i hate my life, i hate my life

woke up hung like a ton of bricks
dont know where the hell i am
whos naked next to me
what did i do
ive gotta pee

cant work or go to school today
cant remember if i do that anyway
got some money got no clue
the worlds a mess

i hate my life, i hate my life, i hate my life, i hate my life

your lifes so bad, theyre gonna take it all away
complain complain life sucks anyway, its all so hard, let them take it all away
why the competition why stress to death be happy with what you have most, have so much less
i hope someday we realize how good it really is.
yeah i may hate my life at times but i always try to live
